Best Practices

Best practice No.1:

Title of the practice:
Preparation of IQAC Annual Calendar

Objective of the practice:
Organising Student academic and administrative quality enhancement programs in a planed manner in the institution

The Context:
A systematic and continuous planning for initiating academic and administrative developments in the institution

The practice:
The internal Quality Assurance cell of the institution prepared the annual calendar for running its events and activities to achieve its goals which was set in the beginning of the session. As according to academic calendar the meetings of IQ AC were organised on the try month basis. So,04 meetings were organised for different purposes and to analyse and discuss the various matters like reformation of IQAC for the session 2019-20, preparation of annual working plan, finalising the annual Quality Assurance report AQAR and reviewing the quality process in the institution. Computer training workshop, seminar on human rights and other activities were organised during the session as according to the above IQAC calendar. This new practice helped very much for a systematic quality upgrading process during the whole session in the Institution.

Evidence of success:
As according to the annual calendar of IQAC, the working plan of the institution was followed during the session 2019-20 and almost all the initiatives have been taking in the Institution.Most of the goals have achieved in sufficient manner in the institution.

Problem encountered:
There haven't been felt any serious problem regarding practicing the above practice.

Best practice number 2

Title of the practice:
Promotion of co-curricular and extracurricular activities

Objectives of the practice:
For overall development of the students,not only bookish knowledge but also another personality development aspects are also necessary. So,to achieve this goal the institution focus on the promotion of co-curricular and extracurricular activities.
The context:

There are many dimensions of personality development such as physical fitness,mental strength,ethical and spiritual strength and a better IQ level,are necessary for overall development of the students.

The practice:
There are various departments and committees which organised various activities and events in which students got the chance to achieve the above strength of their personality.These activities and events are as following:

1- cultural council organised Youth Festival in which many cultural competitions like speech competition,singing competition,Rangoli,Mehndi,cooking,debate competitions were organised during the session.

2- Cultural council also organised many celebrations like celebration of various Jayanti of great personalities and organised various days like Hindi Divas,Manvadhikar Divas and many more days, through which the students not only got the chance to develop wider knowledge regarding the above aspects but also they got the chance to participate in these occasions.

3- Sports department organised many sports events and activities like annual sports meet, Badminton Competition, Chess competition,Table tennis practices etc throughout the session for the purpose of physical and mental fitness of the students.

4- NSS units in the institution conducted many one day camps and a 7 days special camp and other activities not only for community welfare,but also to develop service dimension in the students.

5- Rovers Rangers commeeties also arranged many extra curricular activities like three days special camp regarding the knowledge and training for first aid and emergency management and disaster management system.

Evidence of success:
Students were participated in all these above activities,events and competitions. They not only participated in it with a great zeal,but also they contributed for conducting and organising of these events

Problem encountered:
There have not been felt any serious problem regarding the promotion of these Above co-curricular and extracurricular activities in the Institution.
