GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

As the institution is adopted its vision as to spread the higher education in a quality manner in the remote areas of the tahsil Aonla and for its nearby villages with providing equal opportunities to all students with a very economic and fiseable means. To achieve above vision and its mission the institution is using the policy of decentralization and policy of participatory management. During the session 2021-22 the institution provided the opportunities to its various stakeholders like students, teachers, non teaching staff, parents, alumni etc. To give their suggestions and feedback and their problems. Another practice of decentralization and participatory management during the session 2021-22 can be mentioned as the formation of various administrative and academic committee in the institution like proctorial board, admission committee, social welfare and scholarship committee etc. It is very important feature of participative management used by the head of the institution that he discussed with the faculty members and non teaching staff before handed over the convenorship or membership in any administrative or academic committee. This is a very nice practice regarding participative management used in the institution.
